25 APRIL 2026

ABOUT THE COLLEGE

Khalsa College (Amritsar) of Technology and Business Studies, Mohali is a premier institution committed to academic excellence, innovation, and holistic development. Established under the aegis of the **Khalsa College Governing Council, Amritsar**, the college proudly upholds a rich legacy of over 130 years of quality, and value-based education. Approved by the **All India Council for Technical Education** and affiliated with **Punjabi University, Patiala**, the institution emphasizes quality education, research orientation, and meaningful industry interaction to prepare students for the evolving global knowledge economy. Recognized as “An Institute of Excellence,” the college functions in alignment with its guiding motto:

“ਗਿਆਨ ਅੰਜਨੁ ਗੁਰਿ ਦੀਆ, ਅਗਿਆਨ ਅੰਧੇਰ ਬਿਨਾਸੁ ॥”

The institution is guided by the visionary leadership of **S. Satyajit Singh Majithia, President, and S. Rajinder Mohan Singh Chhina**, Honorary Secretary of the Khalsa College Governing Council, Amritsar. The Khalsa College Governing Council, Amritsar, oversees a strong educational network comprising Khalsa University, 14 colleges, and 5 schools, reflecting its steadfast commitment to nation-building through education. Khalsa College Mohali offers an ideal academic environment and a diverse range of Undergraduate programmes under NEP 2020 – B.A., B.Com, BCA, and BBA; and Postgraduate programmes – M.Com, MBA, M.Sc. (IT), PGDCA, and M.A. With a strong focus on the holistic development of students—physical, mental, spiritual, and social—the institution empowers learners to meet contemporary challenges with competence, confidence, and character.

ABOUT THE CONFERENCE

The Digital Age has profoundly transformed economies, societies, and systems of governance across the globe. Rapid advancements in digital technologies—such as artificial intelligence, big data, fintech, automation, and digital platforms—are reshaping production processes, trade structures, business models, and public service delivery, thereby redefining the way nations and organizations function in an interconnected world.

This National Conference 2026 provides a multidisciplinary platform for academicians, researchers, industry professionals, policymakers, and students to examine the impact of digital technologies on economic growth and sustainability, analyze structural changes in trade, business, and governance, and encourage dialogue on ethical, inclusive, and responsible digital innovation. The conference also aims to promote collaboration among academia, industry, and policymakers while exploring future pathways for digital societies and smart governance, with special reference to India and the global context.
